

Reading Long-Term Plan

At Pilgrim Academy, early reading is taught through systematic, synthetic phonics using Bug Club Phonics. Foundation Stage and Year 1 follow phonics pacing sheets to support the teaching of the 44 sounds. This phonetical understanding is then built upon through the use of Spelling Shed to support the knowledge of spelling patterns alongside phonics. As the children progress through the school, key skills are taught and developed through whole class guided reading linking with our English units of work. Children are exposed to a variety of texts to further enhance their knowledge. Teachers use the One Education reading gems to support the children to comprehend what they are reading. Each term or half term, the children focus on a different text as part of their guided reading lessons as outlined below.
